Descripton of accommodation

In the living room there is an extendable sofa, offering the possibility to use the flat screen-satellite-TV or the library (mostly crime thrillers). The sunny roof-terrace offers a fantastic view on the "Rossschwemmwiese", a park like court. It has an awning and two sunbeds and is for the use of studio-residents only. One time in the week there will come the cleaning woman.

Belonging to the studio there is a roofed car park and a shed, where you can lock your bikes or other equipment. If you want to rent a bike, please take a look at "Bike rental".
