Property & Location

This apartment is located in a peaceful setting amidst the idyllic nature of Vorderfager, in a well-maintained two-family house. Far away from any traffic noise, you can enjoy maximum privacy and an unobstructed panoramic view of the surrounding mountains. Despite its natural location, Elsbethen and the city of Salzburg are only a few minutes away by car.

Room concept & furnishings

The apartment impresses with a spacious layout that is unusual for a 2-room apartment. High-quality materials are a common theme throughout the entire unit:

Elegant oak parquet flooring combined with comfortable underfloor heating ensures an excellent indoor climate. The modern fitted kitchen leaves nothing to be desired. Equipped with high-quality brand-name appliances, it is “ready to live in” – including high-quality crockery and cutlery. The private terrace invites you to relax outdoors. On request, you can have exclusive use of your own garden area.

A little extra: by arrangement, the sauna can be used privately (for a small fee). A washing machine and dryer are available inside the apartment. Everything has been thought of here so that you can arrive and feel at home right away.
