Descripton of accommodation

This spacious period apartment, built in 1903, is located on the first floor of a traditional Viennese building in the 9th district. Spanning 79 square metres, it offers three separate bedrooms, a fully equipped kitchen, and a private bathroom with a separate toilet for your sole use – an ideal base for professionals, expats or small project teams relocating to Vienna for an extended period.

The kitchen comes fully equipped with a dishwasher, microwave, coffee machine, cooking utensils, and tableware. A private washing machine, iron and ironing board, vacuum cleaner, and all necessary cleaning supplies make daily life straightforward. Bed linen, towels, a hairdryer, and bathroom essentials such as shampoo and soap are all included. A dedicated desk makes the apartment well-suited for remote work, and WiFi is of course available throughout.

The apartment is situated on the Währinger Gürtel, one of Vienna's main arterial roads. This means excellent public transport connections and easy access to all parts of the city. Do be aware, however, that street-facing rooms are exposed to a noticeable level of traffic noise.

Please note: the apartment is on the first floor with no lift access. Smoking and pets are not permitted. Paid short-term parking zones apply in the surrounding area.
