Description of accommodation

The private garden has been carefully landscaped and provides plenty of space for relaxation and gardening. A raised garden bed with organic soil is ideal for growing vegetables and herbs, while the covered terrace offers a perfect outdoor retreat. An automatic Gardena irrigation system makes garden maintenance effortless.

Additional features include external blinds, electric shutters, and triple-glazed windows. Excellent thermal and acoustic insulation ensures a quiet and comfortable living environment throughout the year.

A private storage unit in the basement, accessible by elevator or stairs, provides additional storage space. A shared storage room for bicycles, scooters, and strollers is also available.

Public parking is located directly in front of the building.

Highlights:

- Hardwood flooring with underfloor heating throughout
- Premium Nobilia kitchen with Bora induction cooktop, dishwasher, and quartz stone countertop
- Spacious kitchen island with garden views
- Raised garden bed and automatic irrigation system
- Covered terrace
- Smart Tado heating control via app
- Heat pump and mechanical ventilation system
- Underfloor heating in the bathroom
- External blinds, electric shutters, and triple-glazed windows
- Excellent thermal and sound insulation
- Private basement storage unit and shared bicycle storage room
- Ample public parking directly in front of the building

This apartment is ideal for anyone seeking modern living, high energy efficiency, and the benefits of a private garden. Enjoy a quieter, cooler and greener setting away from the heat of the city center!
