Descripiton of accommodation

This charming country-style house in Salzburg-Aigen is a peaceful little retreat surrounded by greenery- with plenty of privacy.

The house is rented as a whole and offers three comfortable bedrooms, all facing the garden and enjoying an exceptionally quiet setting. The living room is cosy and welcoming, with a grand piano that may be played during the day, making the house especially appealing to musicians and music lovers. There is also a fully equipped kitchen and a private garden with herbs that guests are welcome to use.

One of the greatest qualities of the house is its atmosphere: calm, green and secluded, yet very well connected. The neighbourhood is completely quiet, with nature, walking paths and green spaces nearby, while both the bus and S-Bahn are only a few minutes away on foot, making it easy to reach Salzburg city centre in less than 20 minutes.

It is an ideal home for anyone who values privacy, nature and a slower rhythm of life, whether for a professional stay, a creative period, a family stay or simply as a quiet base in Salzburg. Rather than feeling like a conventional temporary rental, the house has the warmth and individuality of a real home, with a garden and a peaceful countryside feeling just outside the city.
