Descripiton of accommodation

The Vienna Touch Apartment in Traiskirchen offers 45 m² of well-thought-out temporary living space for up to four people. With two separate sleeping areas, it is especially practical for couples, small families, or colleagues working together on-site.

The first room features a comfortable double bed (1.80 m wide) and a generous wardrobe with ample storage for longer stays. A fully equipped kitchenette is also integrated, including pots, pans, plates, cutlery, and additional kitchen accessories. The second room contains a TV as well as the bathroom with shower and WC.

The private kitchen comes equipped with a coffee machine, espresso machine, microwave, and a full set of glasses and tableware. Nespresso capsules, towels, shampoo, soap, and toilet paper are provided, so you can move in without any hassle.

Free Wi-Fi is available throughout the apartment. The unit has a private entrance and is suitable for children as well as construction workers and site crews. Parking is available free of charge in the short-term parking zone nearby. Please note that pets and smoking are not permitted. Regular cleaning can be arranged at an additional cost.

The location in Traiskirchen offers convenient access to shops and good connections to the greater Vienna area – ideal for anyone looking for straightforward, flexible accommodation during a work assignment or transitional period.

Infrastructure

The apartment in Traiskirchen offers excellent everyday convenience. Several supermarkets are within easy walking distance, including a Lidl just around 140 meters away and additional options a few minutes on foot. A variety of restaurants nearby – from pizza to Asian cuisine – make after-work dining straightforward. Public transport connections are practical: a bus stop is roughly 300 meters away, and Traiskirchen Aspangbahn train station is reachable in under 800 meters, providing solid regional connectivity. For business travelers, expats, and project staff based in the area for weeks or months, the location keeps daily logistics simple and efficient.
