## Infrastructure

 Brunnenmarkt and Yppenplatz Court

 Subway Station Josefstaedter Strasse

---

"From here you have the best view over the entire city, and within sight of all the important sights - the Votivkirche, the Hofburg, the Arsenal, St. Stephens Cathedral, the United Nations City, the most beautiful church towers, palaces and castles.

At your feet is the new scene district around the Viennese Brunnenmarkt and the Yppenplatz, the former suburb of Ottakring (1160) and Hernals (1170) and the old-fashioned Josefstadt (1080) Shopping at your doorstep.

Due to the direct connection to the subway network (U6 Josefstadtstraße) and to important Viennese tram lines (lines 2, 5 and 33), this location offers an enormous proximity to the city (10 minutes to Stephansplatz) and easy access to nearby recreation areas in the vineyards and the Danube ,

The location on the metro and the good connection to the city's cycle route makes the location ideal for exploring the city, for cultural and business travelers as well as for longer study or business stays."
