Descripton of accommodation

The loft features a large living/kitchen area and a stylish gallery. In addition to the two master bedrooms, guests especially love the gallery bedroom area. There is also enough space here to set up another bed if necessary, which means that up to 8 people can sleep in the loft without anyone having to sleep on the couch. The loft offers 1.5 bathrooms, a 40Mbit WiFi connection and a large flat screen TV including a Netflix premium account. The accommodation is completely cleaned every 2 weeks for the entire duration of your stay (included in the price).

I am always available for any open questions.
