Descripton of accommodation

In our modern house, a beautiful small apartment has been created on the ground floor, the parking lot for the apartment is right in front of the door, also a small terrace is directly connected, our favorite place there is greeted by the sun in the morning. Inside there is one on the right Small cloakroom to the left of the high-quality kitchen with granite worktop, induction hob, dishwasher, fridge with freezer compartment, coffee maker, kettle and of course everything you need, round table with chairs, in the living area a small, comfortable couch, an armchair, a 55 inch TV with TV box. Behind one Brick partition is the double bed and a chest of drawers, a 3-door wardrobe is available for your clothes. Behind it is a bathroom with a spacious shower and the separate toilet with an additional washbasin.
