The apartment is located in the center of the city of Salzburg, in the time-honored district of Riedenburg, which spreads out at the foot of the Rain- and Mönchsberg mountains. This district is characterized by charming villas and gardens. The Sigmundstor, a historic rock tunnel, opens access to the baroque old town directly in front of the accommodation. The Mönchsberg can be reached on foot in a few minutes. This offers a wonderful view of the fortress, the old town and the surrounding districts and invites you to recharge your batteries in the most beautiful natural setting.

The Festspielhaus is also within walking distance in a few minutes. The entrance to the Old Town Garage is directly in front of our house.

Public transportation (bus stop) can be found directly in front of the house. The next local supplier, as well as various restaurants are about 200m away.
