Descripton of accommodation

Enjoy the historic first district of Vienna in our modern Moulin Rouge Suite apartment. Spread out over a space of 95 square meter, this bright and stylish apartment comfortably offers room for up to 6 guests, with two single beds, one double bed, and a double pull-out sofa in the living room. You will find ample closet space in both bedrooms. The luxurious designer bathroom is equipped with both a large shower, and free-standing bathtub. A fully equipped kitchen further enables you to prepare your own meals in the apartment, before enjoying your tasty dishes at the dining table. The kitchen, dining table, and living room couch are all part of a large, spacious open concept living room area. Floor length windows bring in lots of natural sunlight into this space, making it the perfect setting to cook together, unwind and discuss all the Vienna sights explored and yet to be explored. The apartment gets its name from the Moulin Rouge building just a few meters down the street. While it hasn't been home to the classic Moulin Rouge performances since the 1930s, and numerous renovations have modernized the interior (where today you will find a Vapiano restaurant), you can still feel the reminiscent nostalgia when the building is illuminated at night. Wireless-network is provided for free in the apartments and airport shuttle service can be arranged.
