Descripton of accommodation

This maisonette apartment has been extensively renovated and offers approx. 90 m² of living space on two floors with a high level of modern living comfort. Everything is new and feels rightly like a first occupancy. The furnishings have been chosen with a focus on quality and style. A noble wooden floor leads through the rooms. On the upper floor there is a new kitchen with everything you need for cooking and washing dishes. The living room is tastefully furnished with a desk, TV, sofa and seating. The stylish bathroom with large-format fine stoneware tiles offers a toilet, washbasin, towel dryer and shower. A highlight is definitely the extended balcony with views of the Dürnberg and the nearby Northern Alps. A newly renovated wooden staircase leads to the converted attic with two rooms. This place is ideal for children, colleagues or friends. The apartment is entered via a separate external staircase at the back of the house. There is also a parking lot here. Garden use including a trampoline for children is possible. Renting here is for a maximum of six months. Ideal for company employees working abroad or vacationers.
