Descripton of accommodation

The spacious 3-room flat was completely renovated in 2021 (bathroom, kitchen, toilet,...). It offers a very large living room to feel comfortable. From here you have direct access to the garden, which is generally open to the public. However, it is rarely or never used by the other tenants.

In the living room there are 2 large couches for relaxing, or if needed, for sleeping.

Despite the central location, this is a quiet flat, as not a single room faces Schwarzstrasse. Only the side street and the Salzach flank the flat.

The two bedrooms face a side alley and thus offer the possibility for restful sleep.

The washing machine with integrated dryer is located in the spacious kitchen, which is also fully equipped.

Here you move in and feel good! SHORT TERM RENT at it's best!
